2nd World Congress on

## Animal Science & Veterinary Medicine

**03-04**NOVEMBER 2025

Bangkok, Thailand

Whatsapp: +1 (408) 933-9154

Email: animalscience@inovineconferences.com

Website: https://animalscienceconference.com

Theme: Emerging Trends in Veterinary Medicine and Animal Science for Future Resilience

Title: Strategies to Improve Heat Tolerance in Dairy Goats through Genetic Selection and Management Practices
Title: Relationship between CF or NDF in Feed and Content of Fatty Acids in Sow Feces
Title: Efficacy of Tulsi (Ocimum sanctum) Extract for Preserving Raw Milk in the Informal Marketing System of Bangladesh in Different Seasons
Title: In Relationship-Centered Care We Trust (each other!)
Title: Epidemiology of Human Pathotypes of Cephalosporin- Resistant Escherichia coli in Broiler Chickens in Iran
Title: Effect of Guava Leaf Meal on Lipid Profile and Heamolyph pH Status of Giant African Land Snail (Archachatina marginata) During Dry Season
Title: Correlation between Panting Score of Suckler Cows and Heat Stress

<b>Simona-Cristina Nitescu</b> University of Agricultural Sciences and Veterinary Medicine, Romania	Title: Will be updated soon
<b>Gloria Lucia Martinez Restrepo</b> Universidad del Tolima, Colombia	Title: Estimation of Energy Efficiency and Productivity in 4 Different Types of Dairy Farms in the Municipality of Guatavita – Cundinamarca - Colombia
<b>Alaa Almshelesh</b> University of Basrah, Iraq	Title: Sheet Plastination Method for Preparation Teaching Models by Using Local Polyester Resin
<b>Mohamad Zaihan Zailan</b> University of Malaya, Malyasia	Title: Will be updated soon
<b>Motselisi Aloycia Mahlehla</b> National University of Lesotho, Lesotho	Title: Effects of Chemical Treatments on The Feed Value of Sawdust
<b>Hayder Abdul-Kareem AL-Mutar</b> University of Baghdad, Iraq	Title: Determination of Litter Size Associated with Prolactin Hormone Receptor (PRLR) Gene in Goats
<b>Neharika Saxena</b> Rajasthan University of Veterinary & Animal Sciences, India	Title: Seroprevalence of Brucellosis in Camels in Bikaner and nearby Villages in Thar Desert of Rajasthan

Edi Erwan	
State Islamic University of Sultan Syarif Kasim Riau, Indonesia	Title: Will be updated soon
Abdulelah Alsuwaydani	
Saudi Food and Drug Authority, Saudi Arabia	Title: Camel Veterinary Medicinal Product Shortages in Saudi Arabia: Root Causes and Recommendations

## Oral Presentation Slots are Available

Poster Presentations	
<b>Serdal Dikmen</b>	Title: The Use of Artificial Intelligence for Dairy Cattle
Bursa Uludağ University, Turkey	Management
<b>Francisco Javier Dieguez Casalta</b>	Title: Ghrelin Levels in Dairy Calves: Influence of Postnatal
Santiago de Compostela University, Spain	Separation from the Dam
<b>Dayan Torabian</b> Islamic Azad University, Iran	Title: Retrospective Study of Radiography and Ultrasonography in the Days Before Parturition (DBP) and Cesarean Section (DBC) in Pomeranian Dogs

## Poster Presentation Slots are Available
