

4th World Congress on

# Recycling and waste management

# 23-24

# NOVEMBER 2026

*Paris, France*

**Venue:** Novotel Paris La Défense Esplanade  
Courbevoie FR, 2 Bd de Neuilly, 92081 Paris La  
Défense Cedex, France

Whatsapp: +1-437-887-9176

Email: [recycling@inovineconferences.com](mailto:recycling@inovineconferences.com)

Website: <https://recycling.inovineconferences.com>

**Theme: Revolutionizing  
Waste Systems for  
Environmental Sustainability**

## Keynote Presentations

### **Saim Memon**

Department of Industrial R&D in Vacuum Insulation Energy Technologies, Sanyou London Pvt Ltd, UK

**Title:** How Vacuum Insulation Achieves Energy Savings and Makes Bills Affordable

### **Sara Taherythe**

University of New South Wales, Australia

**Title:** Overall benefits of biochar, produced from agricultural waste, for the farming system

### **Xavier Colom**

Universitat Politècnica de Catalunya  
Barcelona Tech, Spain

**Title:** Impact of environmental aging on EPDM/ EPDMd compounds: Influence of Mediterranean and Pyrenees climates

### **Ang-yang Yu**

Xi'an Jiaotong University, China

**Title:** Predicting Earthquakes in China by means of Statistical Modeling

**Keynote Presentation Slots are Available....**

## Oral Presentations

### **Melinda B. Chu**

Ecotera Home, Inc., USA

**Title:** A Portable Smartphone-Based Microplastics Global Screening Platform for Saltwater and Coastal Environments

### **Kim Glassborow**

G&B Lawyers, Australia

**Title:** The Australian Example of Biofuels and Dealing with Problematic Tyre Waste

---

<b>Bronwen Dalton</b> University of Technology Sydney, Australia	<b>Title:</b> The Social Return on Investment (SROI) of Container Deposit Schemes
<b>Jayanath Ananda</b> School of Business and Law, CQ University Australia	<b>Title:</b> Consumer Food Waste Recycling in Multi-Unit Dwellings: Enablers and Barriers
<b>Simran Talwar</b> University of Technology Sydney, Australia	<b>Title:</b> The Social Return on Investment (SROI) of Container Deposit Schemes
<b>Nick Florin</b> University of Technology Sydney, Australia	<b>Title:</b> The Social Return on Investment (SROI) of Container Deposit Schemes
<b>Adina Iuliana Deacu</b> Research Institute for Sustainability at GFZ (RIFS), Tianmei World Academy, Germany	<b>Title:</b> Transforming Business: Redefining Profit-Driven Business Models for Sustainable Impact
<b>Marzia Ciampittiello, Angela Boggero</b> National Council fo Research Water research Institute, Italy	<b>Title:</b> Trends in Lake Maggiore floods event (NW Italy) and impacts on macroinvertebrates assemblages
<b>Alessia Patrucco</b> Italian National Research Council, Italy	<b>Title:</b> Textile waste recycling: a study on finishing, evaluation and removal
<b>Rania Remmani</b> Miguel Hernandez University, Spain	<b>Title:</b> Life Cycle Assessment of Biochar Production from Date Palm Seed Waste: Environmental Impacts and Optimization for Arid Regions

---

---

**Irina Yaru**

linaSulzer, Switzerland

**Title:** Unlocking the potential of chemical recycling: key learnings on the way

---

**Davi Nascimento de Pina**

Universidade Estadual do Rio de Janeiro  
(State University of Rio de Janeiro (UERJ)),  
Brazil

**Title:** Impact of Mineral Reinforcement Type and Polymer MFI on the Properties of HDPE Composites

---

### Oral Presentation Slots are Available....

#### Poster Presentations

**Sung Ka Chun, Jacky**

Hong Kong Baptist University, HKSAR,  
Hong Kong

**Title:** Assessment of Spatial Variability of Polycyclic Aromatic Hydrocarbons (PAHs) in Urban Soils and Fungal Disease Status of Trees Grown in Hong Kong Areas

---

**Massalimova Sholpan**

Institute of Botany and Phytointroduction,  
Kazakhstan

**Title:** Tropical and Subtropical Plants in the Introduction Program of the Main Botanical Garden of Kazakhstan

---

**Urazalina Alina**

Institute of Botany and Phytointroduction,  
Kazakhstan

**Title:** Genus Tamarix L. in the flora of Kazakhstan

---

**Liliya Dimeyeva**

Institute of Botany and Phytointroduction,  
Almaty, Kazakhstan

**Title:** Environmental Problems of the Northern Aral Sea Region and Vegetation Conservation

---

---

**Masahito Yamauchi, Fumio Yagi**

National Institute of Technology,  
Kagoshima College, Japan

**Title:** Application of Barley Shochu Lees to Mushroom Cultivation

---

**Poster Presentation Slots are Available.....**

---

**Exhibitor Slots are Available.....**

---
