

International Conference on
TOXICOLOGY & PHARMACOLOGY

07-08

AUGUST 2026

Amsterdam, Netherlands

Register Now

Theme: "Integrating Toxicology, Pharmacology and Precision Medicine"

Website: <https://toxicology.inovineconferences.com>

Email: toxicology@inovineconference.com

Whatsapp: +1 (365)-501-2205 | Phone: +1-408-648-2233

Keynote Presentation

Tanziela

Southeast University, China

Title: pH responsive Au-BSA encapsulated exosomes for cancer diagnosis and targeted drug delivery

Keynote Presentation Slots are Available...

Oral Presentations

Hossein Hosseinkhani

Innovation Center for Advanced Technology, USA

Title: Artificial Intelligence (AI) in Biomedical Engineering

Yong Li

Changchun University of Chinese Medicine, China

Title: New 18 β -Glycyrrhetic Acid-Emodin Esters Synthesized by a One-Step Innovative Route, Its Structural Characterization, and in Vivo Toxicity Assessed on Zebrafish Models.

Mirza Muhammad Faran Ashraf Baig

Hong Kong University, Hong Kong

Title: Recent Advances of Magnetic Gold Hybrids and Nano composites, and Their Potential Biological Applications

Benssouina Ftima Zahra

University of Abubaker Belkaid Tlemcen, Algeria

Title: Association between Metabolic Syndrome and APOA5 gene rs662799 and APOE 4(E4/E4) gene in obese patients.

Armel Jackson Seukep

Chinese Academy of Sciences, China

Title: Exploring Plant-Derived Efflux Pump Inhibitors for Combating Antibiotic Resistance

Abdikadir Hassan Abdullahi

Stanford University School of Medicine, USA

Title: A Weak Legal System: Drug Utilization Patterns in Marodijeh, Hargeisa Somaliland

Toshihiro Nohara

Sojo University, Japan

Title: Antitumor Allium Sulfides

Hiedar Alyami

Imam Abdulrahman Bin Faisal University, Saudi Arabia

Title: Synergistic Effects of Nigella Sativa and Exercise on Diabetic profiles: A Mini Review

Long Chiau Ming

Universiti Brunei Darussalam, Brunei Darussalam

Title: Economic Evaluation of Patient's Own Medication, Unit-Use and Ward Stock Utilization

Cloe Esposito, Dr. Plamen Kirilov Université Claude Bernard, France	Title: LMOG based organogels for dermo-cosmetic applications
Lamya H. Al-Wahaibi Princess Nourah Bint Abdulrahman University, Saudi Arabia	Title: Adamantane-Isothiourea Hybrid Derivatives: Synthesis, Characterization, In Vitro Antimicrobial, and In Vivo Hypoglycemic Activities
Constantin Mircioiu University of Medicine & Pharmacy Carol Davila, Romania	Title: Modelling Of The Effect Of Formulation Of Mebendazole As Solid Dispersions On Its In Vitro Release Kinetics
Lagjia e Spitalit University of Prishtina, Kosovo	Title: Recreational vs. therapeutic use of sildenafil among male users in the Republic of Kosovo
Jung-Hsin Lin Academia Sinica, Tiwan	Title: Microenvironment-controlled 3D cell systems with super-resolution optics and intelligent computation for effective drug screening
Rosario Silva Ladeira Portugal	Title: Pharmaceutical Sciences in Portugal

Oral Presentation Slots are Available...

Poster Presentations

Hossein Hosseinkhani Innovation Center for Advanced Technology, USA	Title: Artificial Intelligence (AI) in Biomedical Engineering
