

World Congress on **ENVIRONMENTAL SCIENCE & CLIMATE CHANGE**

09-10
JUNE 2025

Zurich, Switzerland

Venue: Intercity Hotel Zurich Airport
Flughofstrasse 63, 8153 Rumlang, Switzerland

Theme:

*Leading the Way in Sustainability
and Sustainable Development*

Whatsapp: +1-408-933-9154

Email: environmentalscience@scientificmeetings.org

Website: <https://environmentalscience.inovineconferences.com>

Keynote Presentation

Muhammad Mahroz Hussain
Yangzhou University, China

Title: Arsenic Immobilization and Soil Extracellular Enzymes Interaction Under the Influence of Carbon-Based Amendments

Keynote Presentation Slots are Available...

Oral Presentations

Marzia Ciampittiello, Angela Boggero
National Council for Research Water
Institute, Italy

Title: Trends in Lake Maggiore Floods Event (NW Italy) and Impacts on Macroinvertebrates Assemblages

John Fien
RMIT University, Australia

Title: Will be announced soon

Paulo Cesar Velasco Maldonado
Universidad Autónoma Metropolitana,
Mexico

Title: Application of Thermography Technologies for Analysis and Evaluation for Urban Heat Island Effects

Barbara Stern
Columbia University, USA

Title: Will be announced soon

Bart van Bueren
Delft University of Technology, Australia

Title: Will be announced soon

Rakhwe Kama South China Agricultural University, China	Title: The Safe Use of Arsenic-Contaminated Mining Lands and Surrounding Areas in Southern China
Suvarna Raju Palathoti Assistant Professor, Climate Change Sustainability, Oman	Title: Will be announced soon
Vaibhav Damle University of York, USA	Title: Bridging Urban Promise and Practical Reality in Sustainable Development
Nirmala Deenadayalu Durban University of Technology, South Africa	Title: Use of an Ionic Liquid for Biochemical Production from Biomass
Asher Siebert Senior Scientist on Loss and Damage Climate Analytics, USA	Title: Will be announced soon
Manar Bani Mfarrej Zayed University, United Arab Emirates	Title: Will be announced soon
P. Balamurugan Annamalai University, India	Title: Indigenous Knowledge System of Heritage Management and Monitoring Plan (HMMP) for Village Water Wisdoms: A Study on Veeranam Tank Traditions in Tamilnadu, India

Hamda Almosawi

Zayed University, United Arab Emirates

Title: Will be announced soon

Antara Ray

Climate & Disaster Resilience, India

Title: Will be announced soon

Benjamin Abugri

Advocate of KM for Development, Ghana

Title: Will be announced soon

Bobin Moorthitayil Varghese

Anna University, United Arab Emirates

Title: Will be announced soon

Mohammed Yabagi

FCT College of Education, Nigeria

Title: The Role of Early Warning System in Climate Change Related Disaster Risk Management

Kankana Das

Environmental Law and Governance,
Researcher IISWBM, India

Title: Will be announced soon

Ashitha Shanavas

Environmental Specialist,
United Arab Emirates

Title: Will be announced soon

Vishal Sharma

Directorate of Higher Education, India

Title: Towards a Net Zero Energy Building: Carbon Footprint Reduction and Climate Change Mitigation

Samriddha Chakraborty

Environmental Resources Management,
India

Title: Will be announced soon

Igberi Christiana Ogonna

Alex Ekwueme Federal University, Nigeria

Title: Complexity of Climate Change Variability and Pesticide
Application on Rice Production in Nigeria

Oral Presentation Slots are Available...

Poster Presentations

Anastassiya F. Islamgulova,**Gulnara T. Sitpayeva**

Institute of Botany & Phytointroduction,
Kazakhstan

Title: Assessment of the Current State of Botanical Diversity of
the Western Kazakhstan Region

Liliya A. Dimeyeva

Institute of Botany & Phytointroduction,
Kazakhstan

Title: Environmental Problems of the Northern Aral Sea Region
and Vegetation Conservation

Megha Thakur

President-Public Health Foundation of
India, India

Title: Exploring Climate Resilience in the Health Facilities of
Vulnerable Himalayan Region

Ananiya Birhanu Taye

Muger Cement Factory, Ethiopia

Title: Optimization of Cement Quality and Sustainability through
Additives: A Study on the Impact of Fly Ash, Slag, and Silica Fume

Sheeja Remani Karalam

CHRIST (Deemed to be University), India

Title: Impact of Waste Management on Sustainable Community
Development and Global Climate Change: An Explorative Case
Study

Poster Presentation Slots are Available...
